

VuokattiChalets

The new VuokattiChalets Apartment Hotel was opened 1st of April 2008 at Vuokatti Sports Institute.

VuokattiChalets consists of 36 high standard apartments. The size of 30 apartments is 45 m² and the size of the remaining six apartments is 61 m². The facilities from the furniture up to the wine glasses are of high quality. Both apartment types have beds for four persons minimum. With a very handy extra bed system it is possible to increase the number of beds. The apartments are suitable as well for families, athletes, holiday makers as conference guests. There is an indoor corridor from the apartments to the Sports Institute's main building and its services, among them the newly renovated restaurant. Also the numerous recreational and sports facilities are available right from the Chalet outdoor.

The great late-winter ski routes and slopes are waiting for you – make your reservation at:
